Expand MediaScreen 1

Expand MediaScreen 1 is a slim, user-friendly retractable banner with an attractive design, which accommodates your need to easily and quickly set up your message. It has a telescopic pole, which makes it very easy to adjust the height. Thanks to the telescopic pole, you can use many different graphic heights as the height is flexible from 160 to 225 cm.

You set up an Expand MediaScreen 1 in 30 seconds. It weighs less than 5 kg and is delivered in a practical nylon bag for easy transport and storage. A spotlight is available as an accessory.

Width: 85 & 100 cm.

Height: Flexible between 160-225 cm
